PUGAZHENTHI CHANDRABOSS

Document Controller

Al Danah, Abu Dhabi, UAE | +971- 56 56 86 395 | email2pugal@gmail.com
LinkedIn | Portfolio | Resident Visa (Spouse) | Immediate Availability | English, Tamil, Malay.

PROFESSIONAL SUMMARY

Certified **Document Controller** with **3+ years of dedicated document control experience** and **10+ years of combined expertise** in administrative support, logistics, and operational documentation across maritime and corporate environments.

Experienced in managing the complete document lifecycle using **Aconex** and Electronic Document Management Systems (EDMS), including document uploads, transmittals, version control, document numbering, metadata management, and audit-ready recordkeeping.

Recognized for maintaining **100% audit compliance**, improving documentation workflows, and coordinating high-volume documentation across cross-functional teams. Seeking to contribute to a leading UAE construction, engineering, infrastructure, or corporate organization as a **Document Controller**.

KEY ACHIEVEMENTS

- Managed **200+ controlled documents per month** while maintaining **100% audit compliance**.
- Administered **Aconex EDMS** for document uploads, transmittals, revision control, and document tracking.
- Supervised deployment of **70+ personnel per shift** with **zero safety incidents** over three years.
- Improved document turnaround through standardized workflows and controlled documentation procedures.
- Maintained comprehensive document registers, revision histories, and audit-ready records supporting regulatory compliance.
